#### **Louisiana Principal Protection Fund (Fixed Earnings)**

This fund is the most conservative START Saving Program investment plan and is managed by the Louisiana State Treasurer. This fund invests 100% of Deposits and interest earned thereon in Fixed Earnings investments such as government and corporate bonds, notes, and certificates of deposit. The State guarantees the return of your principal so you cannot lose money, but it does not guarantee any particular investment return. Every other fund involves some risk of loss of principal.

#### **Age-Based Moderate Track Fund (Variable Earnings and Fixed Earnings)**

The Moderate Track represents the least aggressive track of the three Age-Based Investment Tracks and may be appropriate for Account Owners who are comfortable sacrificing the potential for greater returns in exchange for the potential for less risk. This track initially invests in the Vanguard LifeStrategy Moderate Growth Fund (VSMGX), which seeks to provide capital appreciation and a low to moderate level of current income. When the Beneficiary reaches six (6) years of age, the Moderate Track transitions to the Vanguard LifeStrategy Conservative Growth Fund (VSCGX). When the Beneficiary reaches eleven (11) years of age, the Moderate Track transitions to the Vanguard LifeStrategy Income Fund (VASIX). When the Beneficiary reaches sixteen (16) years of age, all monies invested in the Moderate Track move to the Louisiana Principal Protection Fund (See description, above). **IT IS POSSIBLE THAT MONIES INVESTED IN THIS FUND WILL LOSE VALUE.**

<p><b>Age-Based Aggressive Track Fund (Variable Earnings and Fixed Earnings)</b></p> <p>The Aggressive Track, the most aggressive of the three Age-Based Investment Tracks, is designed for Account Owners who are willing to accept greater risk in exchange for the possibility of a higher rate of return. The Aggressive Track initially invests in the Vanguard LifeStrategy Growth Fund (VASGX), which seeks to provide capital appreciation and some current income. When the Beneficiary reaches nine (9) years of age, the Aggressive Track transitions to the Vanguard LifeStrategy Moderate Growth Fund (VSMGX). When the Beneficiary reaches thirteen (13) years of age, the Aggressive Track transitions to the Vanguard LifeStrategy Conservative Growth Fund (VSCGX), which seeks to provide current income and low to moderate capital appreciation. When the Beneficiary reaches sixteen (16) years of age, all monies invested in the Aggressive Track move to the Louisiana Principal Protection Fund (See description, above).
